It is not possible to invest directly in an index. Index performance does not reflect the deduction of any fees or expenses. VettaFi does not sponsor, endorse, sell, or promote any investment product linked to or based on the Alerian Index Series. Real Estate Investment Trusts (REITs) are represented by the S-Network US Composite REIT Index to measure the performance of larger and more frequently traded equity REITs. The SNR500 is a capitalization-weighted index of 500 stocks designed to measure performance of the broad domestic economy. Utilities are represented by a composite of utility stocks in the SNR500 Index. Performance is provided on a total-return basis. Correlation is based on monthly data over the trailing 3-year period. Percentage of positive months, standard deviation, value of \$1,000, and Sharpe ratio comparisons are based on monthly data over the trailing 10-year period. For sector weighting purposes, constituents are classified according to the business in which they generate the most cash flow. The Alerian North American Midstream Energy Index is the exclusive property of VettaFi, which shall have no liability for any errors or omissions in calculating the Index.
